Jesus Uncensored – Our series continues next weekend. The parables of Jesus weren't just smart lessons or quaint tales; they challenged the culture of the day. These stories turned society upside-down, broke cultural norms and revealed Jesus' core message. Join us this summer as we walk through key parables of Jesus and enter the mind of Christ!

Summer w/ NXT Kids – This summer, NXT Kids is taking our kids on a journey to Wonderland! This week-long experience will give kindergarteners through 5th graders the opportunity to participate in a professional dramatic experience every day! We're also looking for 500 people to make this a success (from drama to Bible teaching to counselors and more). To register your child or sign up to help, visit nxtkids.org

SEPT

EMPLOYMENT

We are looking for quality professionals to join our staff and partner with us in reaching the community. To see a list of available positions, visit calvarynaperville.org/employment

If you would like to meet with someone for **prayer** or to discuss a decision arising from today's message, please come to the front at the end of service.

Individual Communion is available after Sunday services (when we don't share corporate Communion in services) in the West Prayer Room near the elevator.

If you have a hearing aid with a telecoil, you can benefit from our **hearing loop** by sitting in the three central sections of the main floor or in the balcony's first row.
